

No. 160621JM
Declaration of performance

Unique identification code of the product-type: circular heaters and coolers DH, DCF, DCW.

Product intended use: ventilation system parts are designed to supply the air to the premises and regulate the air in ventilation systems. Products can be installed together or in separate systems.

Manufacturer: UAB AMALVA, identification number 124130658 Ozo Street. 10, Vilnius tel.+370(5) 2300 585,info@amalva.lt

UAB AMALVA carry out determination of the product on the basis of testing, calculating and factory production control according system 4.

Declared performance:

Essential characteristics	Performance	Technical specification
All parts are made from galvanized steel	DX51D+Z275 (chemical passivation. Zinc thickness 275g/m2)	LST EN10346:2009 Continuously hot-dip coated steel flat products - Technical delivery conditions
Leakage class	Class B	LST EN 12237-2003 Ventilation for buildings - Ductwork - Strength and leakage of circular sheet metal ducts LST EN 1507-2006 Ventilation for buildings - Sheet metal air ducts with rectangular section - Requirements for strength and leakage LST EN 15727:2010 Ventilation for buildings - Ducts and ductwork components, leakage classification and testing

The declaration is valid according to the manufacturer's instructions installed and operating devices. If changes are made to the product, this declaration invalid.

The activities of the company conform to the requirements of the Quality Management Standard ISO 9001:2008/LST EN ISO 9001:2008. Certificate No: LT1106Q. They also conform to the requirements of the Environmental Management Standard ISO 14001:2004/LST EN ISO 14001:2005. Certificate No: LT1107E
